We Are The Arts Council!

West Midlands have now won their last two matches. After thumping WATAC! Wales, WATAC! West Midlands beat WATAC! South East by a resounding majority. WATAC! West Midlands are now third in the national league, level on points with WATAC! London and three points behind Leaders WATAC! North East.

FOOTBALL:

There was a national ARTISTS football tournament in May that a wild card street ART team won. Birmingham ARTISTS Football has since died a rather lingering death, with the injury situation worsening on a weekly basis. Possibly more to follow.
