

MARGARET STREAK!

MARGARET STREET EXPOSE: TUTORS CAUGHT NAKED DOING RITUAL IN DESPERATE ATTEMPT TO GET STUDENTS INTO COLLEGE.

BAZ can exclusively reveal that seven Margaret Street tutors were caught last year conducting a night time pagan ritual in the concourse by wank away Margaret Street security guard and ARTIST Matt Robinson who had returned to the ART school to pick up his sketchbook.

NAKED TUTORS

Robinson opened the hallowed wooden doors just before midnight to find seven tutors, naked and possibly under the influence, undertaking a ritual to encourage more students to come into the ART school.

GHOST TOWN

In recent weeks the sound of 'Ghost Town' by The Specials has been heard coming from the closed Rogers and Wigley high command. BAZ suspect that they were finalising plans for the intricate and complex ritual that lasts for 10 hours and involves a lot of paint.

BARE BOTTOMED

Images of previous BCU high flyers - Mark.S Gubb, Faye Claridge and Ivan Morrison - were projected onto the ceiling as the tutors danced BARE bottomed to the sound of 'Art Lover' by the Kinks. Honest Robinson who has been disturbed by the incident since moving down to Bristol contacted BAZ recently to report the incident. Robinson

revealed how the lyrics HAUNT him daily and prompt nightmarish harrowing flashbacks. Robinson then put his head in his hands as he begun to sing. BAZ have printed below just SOME of the lyrics that have traumatised Robinson for months:

*Sunday afternoon there's something special
It's just like another world.
Jogging in the park is my excuse
To look at all the little girls.
I'm not a flasher in a rain coat,
I'm not a dirty old man,
I'm not gonna snatch you from your mother,
I'm an art lover.
Come to daddy,
Ah, come to daddy,
Come to daddy.*

Robinson entered rehab last month battling an addiction to 20 / 20, having taken up drinking to eradicate the memories of seeing seven Margaret Street tutors in the buff.
